

**BUSINESS OF THE CITY COUNCIL
YAKIMA, WASHINGTON
AGENDA STATEMENT**

Item No. 7.G.
For Meeting of: November 19, 2024

ITEM TITLE: Resolution authorizing the City Manager to execute Supplemental Agreement No. 2 to Task Order No. 2022-01 entered into with HLA Engineering and Land Surveying, Inc. for the Water/Irrigation and Wastewater Divisions Low-Income and Unserved Utility Areas Project AC2570 and SC2605

SUBMITTED BY: Scott Schafer, Director of Public Works
*Mike Shane, Water/Irrigation Manager
Mike Price, Wastewater and Stormwater Manager

SUMMARY EXPLANATION:

City of Yakima (City) Projects AC2570 and SC2605 provide for the design of public water distribution and wastewater collections systems in underserved, low-income areas of Yakima.

On August 17, 2022, the City entered into a Professional Services Agreement with HLA Engineering and Land Surveying, Inc. for the Water/Irrigation and Wastewater Divisions Low-Income and Unserved Utility Areas project (City Contract No. 2022-140 and Resolution R-2022-10), which included Task Order 2022-01 for the design services for water and wastewater collection systems in the North East and South Central area of the City, as well as funding source recommendations and application assistance to provide possible funding for construction of the designed project.

On May 6, 2024, the City of Yakima Water/Irrigation and Wastewater Divisions were notified of the selection by the United States Bureau of Reclamation (BOR) to receive \$4,949,298.00 as part of the WaterSMART Drought Response Program Drought Resiliency Projects for FY2024 to complete the construction of water and sewer infrastructure in unserved areas of Yakima.

Proposed Supplemental Agreement No. 2 to Task Order No. 2022-01 provides for tasks associated with a Cultural Resource Survey, NEPA environmental compliance, final funding agreement assistance, bidding processes, Construction Engineering services and Funding Administration. Funding for Supplemental Agreement No. 2 will come through reimbursements from the BOR grant. Supplemental Agreement No. 2 between City of Yakima (City Contract No. 2022-140, Resolution R-2022-109, Task Order No. 2022-01) and HLA Engineering and Land Surveying, Inc., is attached for City Council review.

ITEM BUDGETED: Yes

STRATEGIC PRIORITY 24-25: A Resilient Yakima

RECOMMENDATION: Adopt Resolution.
