

**BUSINESS OF THE CITY COUNCIL
YAKIMA, WASHINGTON
AGENDA STATEMENT**

Item No. 7.H.
For Meeting of: September 16, 2025

ITEM TITLE: Resolution approving the Washington State Allocation Agreement Governing the Allocation of Funds Paid by the Purdue Bankruptcy, Sacklers, and Certain Opioid Manufacturers and participation in the Purdue, Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, Sun, and Zydus Settlements

SUBMITTED BY: Sara Watkins, City Attorney

SUMMARY EXPLANATION:

The Washington State Attorney General has reached settlement with nine opioid manufacturers, including Purdue, regarding their role in the opioid epidemic. The settlement totaled \$122.2 million to the State of Washington and the individual jurisdictions, payable over fifteen years.

As with the other settlements, the City of Yakima is allocated 0.6060410539% (after costs and attorneys' fees are taken from the settlement proceeds). The estimated state total, assuming full participation from all jurisdictions, from the settlements is \$105,598,053.62. Based on the above percentage, the estimated amount Yakima may receive is \$639,967.55. This is scheduled to be paid out in various amounts over the course of 16 payments.

To take advantage of the settlements, and receive settlement funds, the City must join the settlements by executing a number of documents and agreeing to the proposed updated Allocation Agreement. As with the previous distributor, manufacturer and other settlements, this settlement is contingent on eligible cities and counties joining the settlements, and the City will receive a percentage share of the settlement proceeds allocated to local jurisdictions.
