Item No. 7.F.
For Meeting of: October 21, 2025

ITEM TITLE: Resolution to execute a repayment agreement with G.S. Long for the Mead Ave pedestrian crossing signal project (Arterial Streets fund, developer to pay)

SUBMITTED BY: Gary Ballew, Assistant City Manager

SUMMARY EXPLANATION:

G.S. Long contacted the City regarding the installation of a mid-block pedestrian crossing near 10 W. Mead Ave to support the growth of its operations, which are on both sides of Mead Avenue. The City determined that a pedestrian crossing could be installed in this area provided it is an engineered pedestrian signal system. The Yakima County SIED Board provided \$320,000 for the project in the form of a grant and loan. There is also an \$80,000 local match. Through the repayment agreement, G.S. Long agrees to pay the loan of \$160,000 and the local match of \$80,000.
