

**BUSINESS OF THE CITY COUNCIL  
YAKIMA, WASHINGTON  
AGENDA STATEMENT**

Item No. 7.D.  
For Meeting of: April 21, 2026

**ITEM TITLE:** Resolution declaring two refuse trucks rolling stock surplus and authorizing the City Manager to dispose of said property in a manner most beneficial to the City of Yakima

**SUBMITTED BY:** Scott Schafer - Director of Public Works  
\*Kerry Jones - Fleet and Facilities Manager

**SUMMARY EXPLANATION:**

The City of Yakima (City) owns various used rolling stock for which the City has no immediate or foreseeable use and which are surplus to the needs of the City. Currently, the City has a 2013 Mack/Heil Refuse Truck (ER3304) requiring a transmission replacement and extensive body repair and a 2009 Labrie Refuse Truck (ER3275) that has become unreliable and unsafe. Both trucks have reached their end-of-life cycle.

Assets are proposed to be declared surplus and sold on GovDeals, a public online auction host. Surplus Disposal Policy 3-100 permits the City to declare certain rolling stock surplus and authorizes disposal of said property in a manner most beneficial to the City of Yakima; requiring any surplus exceeding \$15,000 to be approved by City Council. We anticipate each item to exceed the \$15,000 threshold.

**ITEM BUDGETED:** No

**STRATEGIC PRIORITY 24-25:** An Engaged Yakima

**RECOMMENDATION:** Adopt Resolution.
