Item No. 7.E.  
For Meeting of: March 3, 2026

**ITEM TITLE:** Resolution authorizing a contract extension with Connell Oil for the purchase of bulk fuels and delivery of gasoline, diesel fuels and related products (General Fund/Enterprise Fund)

**SUBMITTED BY:** Scott Schafer, Public Works Director

\*Kerry Jones, Fleet and Facilities Manager

**SUMMARY EXPLANATION:**

The City of Yakima competitively bid the purchase and delivery of bulk fuels and related products through Bid J11902 Bulk Purchase and Delivery of Gasoline, Diesel Fuels and Related Products. On March 4, 2020, the Yakima City Council approved the resulting contract with Connell Oil Inc., City Contract #2020-018, by Resolution R-2020-024. The original term of this contract, including extensions, expires on March 18, 2026.

Because the new solicitation is ongoing, both the City and the Vendor, Connell Oil Inc., agree that a contract extension would be mutually beneficial. Both parties agree to extend the current contract from March 18, 2026, through April 22, 2026, or upon the effective date of a new contract between the City and the Awarded vendor of Bid 12603J, whichever comes first at which time Contract No. 2020-018 shall terminate unless terminated sooner by either party in accordance with the terms of the Contract.

Enclosed for City Council review is Extension No. 4 of Contract No. 2020-018 and the original Contract #2020-018.
