

**BUSINESS OF THE CITY COUNCIL
YAKIMA, WASHINGTON
AGENDA STATEMENT**

Item No. 7.G.
For Meeting of: August 19, 2025

ITEM TITLE: Resolution authorizing agreements with Flock Safety for annual subscription renewals (General Fund)

SUBMITTED BY: *Lt. Tory Adams, Police Department
Christina Payer, Buyer II, Purchasing Division

SUMMARY EXPLANATION:

If approved, these agreements will enable the Police Department to continue their annual subscription renewals. The renewals are for Flock Safety Platform Hardware and Software Products. Specifically license plate recognition (LPR) cameras with vehicle fingerprint technology and cloud-based software platform.

Under the newly established agreements, the City will transition vendors for these services from Insight Public Sector to Flock Partners. Furthermore, these annual renewals do not include the purchase of new equipment or technology, but to modify the payee for the products and services the City already receives.

Flock Safety's LPR technology captures and identifies vehicle license plates, providing a crucial tool for tracking vehicles involved in crimes or other incidents. The software platform acts as a central hub, integrating data from LPR, video, and audio detection, as well as other sources, to provide a comprehensive view of incidents and facilitate investigations.

Additionally, Flock Safety's solutions are used by communities, law enforcement agencies, and businesses to improve public safety, deter crime, and solve cases. The platform's ability to integrate data and share information across different jurisdictions helps law enforcement agencies collaborate and solve crimes that span multiple areas

The combined value of all annual renewals is \$269,650.

ITEM BUDGETED: Yes

STRATEGIC PRIORITY 24-25: A Safe and Healthy Yakima

RECOMMENDATION: Adopt Resolution
