YAKIMA, WASHINGTON  
AGENDA STATEMENT**

Item No. 7.G.  
For Meeting of: February 4, 2025

**ITEM TITLE:** Ordinance to create a fund to account for Aquatics Facilities Revenue  
(Second Reading)

**SUBMITTED BY:** \*Viren Mayani, Director of Finance and Budget  
Kimberly Domine, Financial Services Manager  
Jen Paxton, Financial Services Officer

**SUMMARY EXPLANATION:**

The City of Yakima is responsible for managing multiple aquatic facilities that serve the community and promote recreational activities. In an effort to maintain greater accountability and transparency in financial operations related to these aquatic facilities, the City Council has proposed the establishment of a Special Revenue Fund, known as Fund 133, dedicated specifically to the aquatic facilities operations. This new fund will allow the city to segregate aquatic-related financial activities from other city expenditures, ensuring that income generated from pool operations and related services is clearly tracked. By maintaining the aquatic funds in a separate account, the city staff aims to provide a transparent overview of expenditures and revenues, which will enhance public trust in how these funds are managed and utilized.
