AGENDA STATEMENT**

Item No. 9.E.
For Meeting of: July 16, 2024

ITEM TITLE: Ordinance amending Yakima Municipal Code 9.50.290 - One-way Streets and Alleys for Lewis Avenue

SUBMITTED BY: Scott Schafer, Public Works Director
* Bill Preston, City Engineer

SUMMARY EXPLANATION:

Recent housing developments in the area prompted City Engineering to perform a traffic analysis along Lewis Street between West Lincoln and Folsom. Traffic data warrants changing the street south bound to one way. Lewis street is very narrow and does not have sidewalks. Justice Housing, the developer in the area is also required to install sidewalks along their Lewis Street frontage. Making it one way southbound will increase the safety of vehicles and pedestrians.
