

**BUSINESS OF THE CITY COUNCIL
YAKIMA, WASHINGTON
AGENDA STATEMENT**

Item No. 7.F.
For Meeting of: November 3, 2025

ITEM TITLE: Resolution authorizing Supplemental Agreement 1 with RH2 Engineering, Inc. for I-82 Sewer Main Extension at the Landfill Mill Site Project 2760 (Mill Site Fund 323 & ARPA 180)

SUBMITTED BY: Bill Preston, Community Development Director

SUMMARY EXPLANATION:

The City of Yakima previously entered into a contract with RH2 Engineering, Inc., (RH2) on Contract 2024-071. The contract provided design, permitting, and construction contract administration services for a new gravity sewer mainline that traverses the former sites of the Boise Cascade Mill and the Yakima City Landfill to provide the required sewer services for the future development of the sites while also allowing for the future removal of the Tamarack Lift Station. Phase 1 preliminary design is complete. The Supplemental Agreement 1 for Phase 2 includes Project Management, Final Design, and Permitting.

The City desires to enter into Supplemental Agreement 1 with RH2 not to exceed \$429,000.00.

This agreement is funded with Department of Ecology, ARPA and LIFT funds.

ITEM BUDGETED: Yes

STRATEGIC PRIORITY 24-25: A Resilient Yakima

RECOMMENDATION: Adopt Resolution.
